Member of the Board

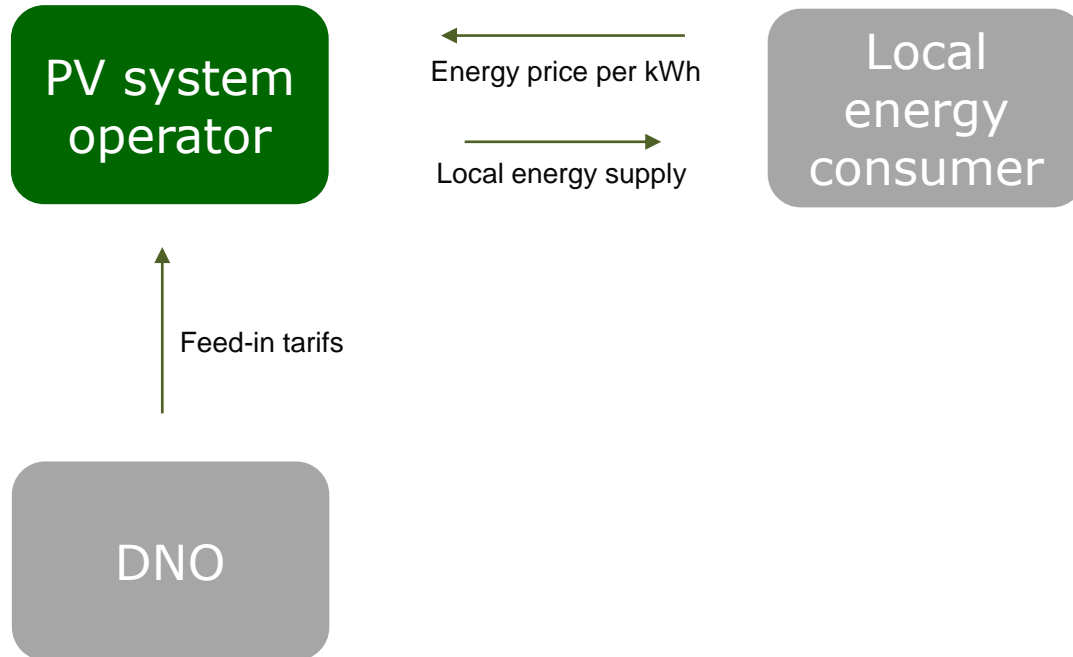

BürgerEnergie Buxtehude eG

- We are a free, non-political organization of citizens committed to a viable, sustainable and ecological energy supply in the region
- We want to make a contribution to securing the energy supply in the long term through renewable energies
- Through the cooperative principle, we create an opportunity for people to participate directly in large-scale projects without large individual financial investments
- In our cooperative, every member has one vote - regardless of the amount of shares
- Our statutory area covers the district of Stade and Harburg. People outside the statutory area can also become members
